Water service shutdowns scheduled for May 19-20 in Hanapepe town canceled

HANAPEPE - The Department of Water (DOW) has canceled the remaining 2-hour water service shutdowns previously scheduled for Tuesday May 19th and Wednesday May 20th in Hanapepe town. DOW crews were successful in completing the necessary valve tests for the Hanapepe water system during today's scheduled shutdown, which occurred between 8 a.m. to 10 a.m. No additional valve tests are needed at this time.

DOW thanks Hanapepe town customers for their patience and cooperation.
